Our inspiration for our abaya's at 'Waham' comes from the name itself which means 'Illusion' as we try to use the best international materials and fabric. Our main motivation and goal is to deliver the best service to our respectful clients and maintain a great long-term relationship< which thankfully has been a successful accomplishment since we established in 2005.

By 2009 we joined in the Wedex exhibition at Al Ain, UAE, in 2010 was a very busy year for us at ' WahamAbayas ' as we started joining more exhibitions such as The Bride Show in Dubai, The Bride Show and Chic Lady in Abu Dhabi, UAE and IWED in Doha, Qatar. In 2011, we started joining beauty secret exhibition in Abu Dhabi and Heya in Doha as well.

The year 2013 was an exciting year as we participated in our first fashion show in November at Al Ain exhibition . Recently in 2014, we re-joined at Chic lady in Abu Dhabi. These Exhibitions are a good option for us to gain new clients and to give our regular international clients a chance to visit and see our latest pieces.
